

A donation has been made by _____

in honor of _____

The Acorn Childcare Center is an early childhood center that provides a stimulating educational environment, nutritious meals, medical care and parent education and support. Every donation helps ensure that we can continue transforming the lives of families facing extreme poverty. The Center makes a world of difference to children and families. Their warmth and appreciation is hard to fully convey, but we hope you find that being part of their network of support feels valuable and worthwhile. Thank you for being someone who inspires such gifts.
